

NCEAS Curriculum Collection

Curriculum Submission

Please complete the form below and submit along with your curriculum on our website at:
<https://sdoheeducation.org/submit-a-curriculum/>

Submission Checklist

Please include the following documents when submitting your curriculum:

- ✓ Teaching materials (e.g. PowerPoints, Word Documents or other course documents). Be sure to review the copyright information on our [website](#) and remove any non-essential graphics that are subject to copyright law. This most commonly includes graphics or pictures added for visual impact.
- ✓ Assessment materials (e.g. exams, essay prompts, etc., if relevant)
- ✓ Any additional training guides or supplemental documents that would aid in the replication of your curriculum

Preliminary Information

Institution: _____

Program or Department: _____

Submitter's First and Last Name: _____

Submitter's Email Address: _____

Authors of curriculum: _____

Curriculum Details

Please write in **complete sentences** as your input will be used to generate a summary document on the education collection.

Title:

Summary of Curriculum:

What are the curriculum objectives?

Who is the primary audience (medical students, medical residents, nursing students, physicians, etc...)?

Approximately how long would it take a learner to complete the curriculum?

Educational modalities (e.g. lecture, seminar, experiential)

When was the last time your curriculum was updated?

Is there any additional information you think educators should know to replicate this curriculum?

Course & Learner Evaluation

If your learners were assessed (e.g. tests, essays, direct observation), please provide a brief description and include any relative documents in your submission.

If outcomes of the curriculum were assessed (e.g. student satisfaction, improved knowledge or skills), please provide a brief description and include any relative documents in your submission.
